PROJECT REDIRECT NV

TOGETHER WE CAN!

A Warm Welcome from Project ReDirect

In Nevada's vibrant heart, Project ReDirect, Inc. (PRD) extends its warmest welcome to families and individuals with developmental and intellectual disabilities. Born from a rich heritage of service initiated in 2007 within the District of Columbia, and certified by the DC Department of Disability Services, PRD brings a wealth of experience and a decade-plus dedication to the Silver State. With our foundational commitment to excellence in DC, we're thrilled to introduce our "5-Star Standard of Excellence" to Nevada's unique landscape.

Our Nevada Journey A New Chapter of Support & Empowerment

Marking a pivotal expansion in 2019, PRD Nevada represents a significant stride in our mission to deliver personalized, compassionate, and comprehensive support services. Integrating our DC-honed insights with innovative strategies tailored for Nevada, we aim to profoundly impact the lives of individuals and families facing the intricacies of developmental and intellectual disabilities.

Tailored Understanding & Support

Recognizing the distinct journey each individual and family embarks upon, PRD Nevada is devoted to fostering an environment rich in inclusivity, support, and empowerment. Our dedicated team, comprising passionate professionals and volunteers, is eager to blend proven methodologies with novel solutions to meet and exceed the community's needs.

Empathy-Driven Approach to Behavioral Challenges

Navigating the complexities of behavioral challenges, including self-harm, wandering, and various expressions, demands an approach grounded in empathy, respect, and commitment. At PRD, we tailor our support to meet each individual's needs, prioritizing their safety, well-being, and personal growth with unwavering compassion.

Diverse Programs for Enriching Experiences

Life is a canvas, and at PRD, we're here to supply the palette for individuals to color their experiences vividly. Our array of programs, including Creative Arts, Tech Lab, Performing Arts, Sports & Fitness, and beyond, caters to the diverse interests and needs of those we serve. By promoting vocational training, life-skills development, and social engagement, we nurture independence, self-reliance, and confidence.

Be Part of Our Journey

Project ReDirect is not just about making a difference; we are the difference. We invite you to join us on this empowering journey of learning, growth, and illumination. Together, we can light the path to a brighter, more independent future for the cherished members of our community.

Our Programs

Jobs & Day Training

Jobs and Day Training (JDT) assists adults with developmental needs in obtaining employment and life skills for independence and productivity, focusing on vocational skills and employment preparation in various settings.

Day Habilitation

This program offers activities to help participants maintain or improve independence and decision-making through daily functional activities aimed at enhancing self-help, socialization, and adaptive skills in diverse settings.

Pre-vocational Services

These services aim to ready participants for community employment, focusing on general skills like self-care, social interaction, and problem-solving, as part of the participant's Individual Service Plan, focusing on habilitation over specific job objectives.

Supported Employment

The Supported Employment program provides intensive support for individuals with significant disabilities, facilitating success in integrated work environments according to their preferences and abilities, aiming for independence and job performance with necessary support.

Supported Living Arrangement

Supported Living (SLA) delivers residential support for those needing assistance to live in community settings, focusing on the least restrictive environment possible.
